DENBO: NEXT LOCAL FORUM ON CASINO ISSUES SET FOR WEDNESDAY

INDIANAPOLIS – State Rep. Jerry Denbo (D-French Lick) will conduct the second in a series of community forums on Wednesday (April 6) to allow Orange County residents the chance to discuss casino-related issues. The forum will begin at 6:30 p.m. at the French Lick Community Center.

Denbo said the forum will give residents the opportunity to get updated information on the Total Destination Resort project and provide their input on the issue.

"My goal is to make sure that local residents are informed about the latest actions on this matter, and give them a chance to ask questions about the project and find out where we're at on the casino," Denbo said.

Throughout this process, Denbo's goal has been to make the casino project a "people process," with everyone having the chance to participate. The lawmaker then shares the ideas and suggestions of participants with the members of the Historic Hotel Preservation Commission.

"Public involvement is crucial in making this project a success," Denbo said. "I encourage everyone to come to the Wednesday forum and make their feelings known."
